Hi Kevin! Sorry for the delay, I'm on a plane and the wifi is a bit spotty. I can confirm we have received the letter and are reviewing it.

Hi Melissa,

I hope all is well. I just received this [letter](#) from the House Science, Space and Technology Committee regarding the Animas River spill and requesting an EPA briefing next week. Does EPA have any comment on the letter at the moment?

I'd look to write this for tomorrow morning, so if anything's possible this evening that would excellent. Thanks in advance for any help.

Thanks,  
Kevin
